CONTRIBUTED PAPERS

Pagenaud, A., Bourgeois, K., Payandi, L., Weiss, W., Vidal, É., & Ravache, A. Decrypting the breeding biology of the elusive and declining Tahiti Petrel <i>Pseudobulweria rostrata</i>	1
Titmus, A. J., & Lepczyk, C. A. Modeling breeding habitat preferences of Tahiti Petrel <i>Pseudobulweria rostrata</i> on Ta'ū, American Samoa	13
Hentati-Sundberg, J., Berglund, P.-A., Olin, A. B., Hejdström, A., Österblom, H., Carlsen, A. A., Queiros, Q., & Olsson, O. Technological evolution generates new answers and new ways forward: A progress report from the first decade at the Karlsö Auk Lab	21
Hayakawa, M. Artificial brood parasite technique for rearing abandoned eggs of the endangered Little Tern <i>Sternula albifrons</i>	35
Nesvacil, K., Pendleton, G. W., Skinner, J. P., Oehlers, S., Mondragon, J., & Lyons, D. E. Breeding season movements of Aleutian Terns <i>Onychoprion aleuticus</i> : Implications for population assessment and monitoring	41
Kochvar, K. H., Zabala Belenguer, R., & Bitton, P.-P. Comparison of offspring growth models in Atlantic Puffins <i>Fratercula arctica</i> ..	55
Cruz, S. M., Halpin, L. R., Proaño, C., Anderson, D. J., & Wikelski, M. The owl gull: Exclusively nocturnal foraging by the Swallow-tailed Gull <i>Creagrus furcatus</i> in Galápagos	63
Piña-Ortiz, A., Marcuk, V., Gómez-Hernández, S., Castillo-Guerrero, J. A., & Quillfeldt, P. Wire ingestion by a Red-billed Tropicbird <i>Phaethon aethereus</i> chick on San Pedro Mártir Island, Mexico	71
Ottenburghs, J., & Nisbet, I. C. T. Hybridization in terns: A review	79
Abrogueña, J. B. R., Tanita, I., Doyle, A. M., Roje-Busatto, R., Maquirang, J. R. H., Manokaran, S., Imam, K., Al-Johani, T., & Woo, S. P. Seagrass and mangroves as water-associated bird habitat in the southern Red Sea coasts of Saudi Arabia	87
Pizá, V. M., Pereyra, P. J., & Seco Pon, J. P. Spatial and temporal variation of beached birds in northern Argentine Patagonia	99
Paredes, R., Insley, S. J., Luque, S., & Kortsalo, P. Thick-Billed Murres <i>Uria lomvia</i> at Cape Parry, Northwest Territories: Core-use areas, morphometrics, and chick diets	111
Gjerdrum, C., Wong, S. N. P., & Mallory, M. L. Cruising for data: Defining the seabird community from vessels of opportunity in Canada's Eastern Arctic	123
Wakefield, E. D., Robuck, A. R., Powers, K. D., Ronconi, R. A., Ryan, P. G., & Wiley, D. N. Nape coloration varies with sex, not age, among Great Shearwaters <i>Ardenna gravis</i>	137
Bretagnolle, V., David, Y., Ghestemme, T., Butaud, J.-F., Withers, T., Shirihai, H., & Thibault, J.-C. A petrel breeding diversity hotspot: Raivavae Island (Austral Islands, French Polynesia), with a need for conservation action	145
Martínez Reyes, F. J., Dolinski, L. A., Meltzer, L. R., Camarena Gomez, P. D. L., & Oas, N. L. Status of Craveri's Murrelet <i>Synthliboramphus craveri</i> in the Midriff Islands, Gulf of California, Mexico	155
Sutherland, K. E., Metheny, N. J., & Haney, J. C. First U.S. Atlantic record of Nazca Booby <i>Sula granti</i> , with implications for vagrancy by Pacific seabirds into the Gulf of Mexico	165
Haney, J. C., Michael, P. E., Gleason, J. S., Wilson, R. R., Satgé, Y. G., Hixson, K. M., & Jodice, P. G. R. Relative abundance, seasonal occurrence, and distribution of marine birds in the northern Gulf of Mexico	171

SHORT COMMUNICATIONS

Lebarbenchon, C., Feare, C., Larose, C., Simbi, M.-A., Boucher, S., Jaeger A., & Le Corre, M. Absence of Coronavirus in terns and noddies in the Western Indian Ocean?	189
Nascimento, P., Santos, E., Gonçalves, J., & Teixeira, M. First aberrant coloured <i>Calonectris</i> shearwater recorded in Madeira, Portugal	193
Vishnulal, C. L., Nisanth, H. P., Ravinesh, R., & Saravanane, N. Confirmed record of Red-footed Booby <i>Sula sula</i> from Lakshadweep Sea, northern Indian Ocean	197
Schunck, F., Souza, R., Donadio, D. N., Correa, L., Bicudo, R., de Souza, M. O., Silva, P. G. C., Dias, E., Legal, E., & Barata, F. White-chinned Petrel <i>Procellaria aequinoctialis</i> feeding on a dead dolphin	201
Chao, L. Use of an honest signal by Red-footed Boobies <i>Sula sula</i> in response to kleptoparasitism by Great Frigatebirds <i>Fregata minor</i>	205

BOOK REVIEWS

Buxton, R. T. The Quickening: Antarctica, Motherhood, and Cultivating Hope in a Warming World (Rush)	209
Wagner, E. New(ish) and Noteworthy (Thomas; von Hardenberg; Hogan)	210
